RE: CONVID-19 Response

Due to the COVID-19 pandemic TANF will be enacting the following measures to keep our families safe:

- All TANF families that DO NOT have income do not need to turn in monthly reporting or meet with a case manager.
- All TANF families that DO have income still need to drop-off, email, or mail in a Household Report Form (HRF) and income verification by the 8th of the month.
- Good cause will be granted for sanctions that are currently in place and supplements will be issued for March. No sanctions will be imposed until further notice. Sanctions to be lifted include: Mille Lacs Band child support, employment service sanctions. Any child support sanctions from another county or state will remain in place.
- Verification of income can be requested by phone and emailed to case managers.
- Face to face interviews may be waived and completed by phone for intake, reviews and emergency assistance.

If you feel you need to meet in person with your case manager call ahead, email or text your case manager to schedule. These changes will be in place until further notice to help families stay healthy during this time. Please reach out to your case manager if you need assistance.
