Colleagues and friends,

The Nay Ah Shing School is pleased to present our Annual Report for our Mille Lacs Band of Ojibwe to review and enjoy. Our School is engaged in its forty-fifth year of operation and is striving to achieve its mission of developing our Band youth with invaluable skills they will need throughout their lives.

We believe that sovereign nations have a duty and responsibility to educate and prepare their young people with the values, language, history and skills that aided this great Band as leaders, spiritual guides, and political survivors throughout centuries of life.

We invite you to our Indian Education Consultation meeting on Feb. 26<sup>th</sup>, at 11am. We will be located at the upstairs media room at the MLB Government Center.

Please telephone us at 320/532-4695 if there is anything that we can do to answer your questions or discuss matters of importance for our Band children.

Sincerely,

Rick St. Germaine, Ph.D.
